SCYSO is committed to bringing the very best orchestral experience to its musicians. Thanks to your hard work, we have witnessed tremendous growth year after year. This special 19th anniversary season, we would like to show our appreciation by inviting returning students to participate in the Bring Your Friends program. This is a great opportunity for you to invite your friends to experience the SCYSO! In the Bring Your Friends program, members of the orchestra who introduce a new musician to the orchestra will have the opportunity to enjoy an exciting day at Disneyland with their friend(s) and other musicians of the orchestra who have done the same. To qualify for this event, the new musician must be fully enrolled in the orchestra. The participants of this exciting trip will be responsible for arranging their own transportation to and from Disneyland and all additional expenses incurred in the park, including food and souvenirs. We hope you will take advantage of this opportunity to share with your friends your love for music and the SCYSO!

### **Program Policy:**

This program is available to returning members who introduce a new student to the SCYSO. A new student is one who has never been a member of the SCYSO. Only one returning member may claim the new student for their trip. Both the returning member and the new student will receive the trip invitation after the new student has completed the registration process and paid their tuition in full. The credit can only be applied towards the Bring Your Friends trip in the 2019 - 20 season and holds no monetary value.

I have read and understand the program policy.
